

# The Piali Ashar Alo School Report : October – December 2010

We would like to present our latest news. The end of the year 2010 means also the end of our third school year. During the last months of 2010 children were studying for final school tests. We had a visit from England at that time – Vanessa Ainsworth joined us as a volunteer and we also had some visits from Slovenia.

## 1. VISITS

**Vanessa** joined us in October and spent several weeks with us. We practiced spoken English with her. Moreover, she enriched our creative hours - photos show how we make spiders

and fans.

**Tina Gams** and **Uros Jausevec** visited us. Tina Gams organized the LU Association - that supports our projects financially. We will always remember her positive and cheerful energy.

**Patsy**, a trinket designer, came to visit us for some days. She brought a lot of creative materials and new ideas.

Ana Jurkovic and Marija Kosic visited us on St. Nicholas Day.

## 2. CHILDREN'S DAY

On May 17th we celebrated Children's Day. Our children got toys, most of which were collected in Mojca Kindergarten, Ljubljana. They also got balloons and sweets. For lunch we surprised them with chicken curry.

## 3. YEARLY EXAMS

In December another school year has ended. Most successful students were: Austumi in Tuktuki - fourth grade class, Priyanka, Puja and Sukdev - third grade class, Asha, Mumpi and Bayshaki – first grade class, Roma, Rahul, Joyeeta – kindergarten class, Rekha, Soniya and Mallika – nursery class. Our congratulations to all of them, and to other students as well.

Let me point out that students from the fourth class ended their schooling and will enter the fifth grade class of a public school: Austumi, Tuktuki, Ranu, Suchitra, Lokenath, Raju and Samar, This is the first generation of children who entered our school. We will continue to help them!

## 4. OUR PRODUCTS IN LJUBLJANA

You can find our products in a fair trade shop called TRI MUHE, Ljubljana. This shop sells only some of our products therefore we are very grateful to Mrs. Klavdija Osolnik,

who sells our products in a “humanitarian corner” in her shop called LIZA PERLE NIZA, on Gosposvetska Street 1, Ljubljana. These products were made by Pinki and Rani from Piali village under Anup’s supervision. If you happen to be on this street, please, enter the shop.

For more information and photos see [www.pialiasharalo.org/slo](http://www.pialiasharalo.org/slo), you can find us on Facebook - Piali Ashar Alo.

Let me wish you a peaceful New Year and thank you for your help.
